What to taste at the upcoming Grande Degustation in Montreal?

October 10, 2018

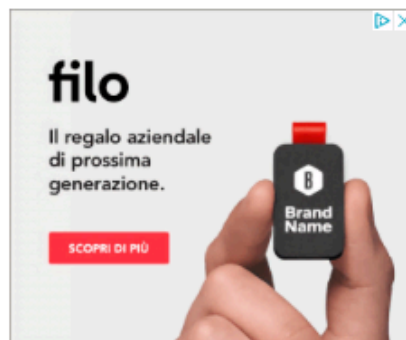

By Marco Giovanetti

La Grande Degustation 2018 of Montreal will take place on Nov 2 (3pm-9pm) and Nov 3 (1pm-9pm) at Place Bonaventure and on this edition one of the themes is Pinot Grigio and other wines of Italy.

This week I had the chance to taste the top 5 Italian Pinot Grigios that will be showcased at this prestigious Montreal wine industry event. It was a fantastic opportunity to get reacquainted with the primary characteristics of the variety.

Pinot Grigio is grown throughout Northern Italy, but is most commonly found in Veneto, Umbria, Trentino, Emilia-Romagna, and Friuli. The event was organized by the AQAVBS
